P&H NOVA
DEV. PROCUREMENT LTD

ABOUT US

P&H Nova Development Procurement Ltd., established in 2020, is a leading provider of procurement, logistics, and industrial solutions based in Lagos. We are committed to delivering unmatched value through quality service and innovative solutions tailored to meet the unique needs of our clients.

At **P&H Nova**, we believe in making every client interaction count. Our extensive range of services includes heavy construction equipment hire and sales, PPE procurement and training, dredging, marine logistics, and real estate development. Each service is designed to provide comprehensive support, ensuring that your projects are executed with precision and care.

With deep expertise in the maritime and real

estate, we have successfully delivered on projects of varying scales, always maintaining our focus on quality and client satisfaction. Our ability to handle complex challenges sets us apart in the industry.

P&H Nova has been recognised for its innovation and excellence, earning awards like the Best Innovative Marine Development Company 2023, and Most Outstanding Procurement & Development Optimization Award 2024. These accolades are a testament to our ability to deliver results that not only meet industry standards but set new ones.

P&H Nova Development Procurement Ltd. is dedicated to excellence in every aspect of our operations, with a strong focus on safety, integrity, and lasting partnerships. Our commitment to your success drives us to go the extra mile, delivering results that consistently exceed expectations.

ABOUT

OUR MISSION

To power businesses, projects, and partners by providing a full spectrum of procurement, logistics, and industrial services rooted in quality, innovation, and reliability.

We aim to be the backbone of our clients' operations, delivering solutions that meet and exceed their expectations. Through strategic partnerships, cutting-edge technology, and a deep understanding of our clients' needs, we are committed to enabling businesses to operate more efficiently, safely, and sustainably.

OUR VISION

To be a leading name in procurement and logistics solutions, recognised for our innovative approach, unwavering commitment to quality, and ability to drive transformative change across industries in Africa.

We envision a future where **P&H Nova** is synonymous with excellence, where our name is trusted by businesses within and around the continent, to deliver the resources, expertise, and support they need to achieve their goals and thrive in an increasingly competitive marketplace.

OUR CORE VALUES

Integrity

We uphold the highest standards of honesty and transparency, ensuring that every interaction builds trust and credibility.

Excellence

We strive for excellence in every project, every partnership, and every solution we deliver, setting the bar high in all we do.

Innovation

We embrace change and seek innovative solutions that keep us and our clients ahead of the curve.

Customer-Centricity

Our clients are at the heart of everything we do. We listen, we understand, and we deliver solutions that are tailored to their specific needs.

Sustainability

We are committed to practices that protect and preserve the environment, ensuring our operations contribute to a sustainable future.

OUR PHILOSOPHY

CLIENTS: We measure our success by the success and satisfaction of our clients. We believe we are only as good as how they look and feel after working with us. To achieve excellence, we focus on making them look their best and feel genuinely valued.

STAFF: We acknowledge that the quality of our service is a reflection of the collective quality and performance of our staff. We hire the best so we can deliver the best.

COMPETITION: We aim to create a unique market space where clients choose us for the unmatched value we provide. So instead of competing, we lean towards collaborations — forging partnerships that enhance our service offerings and enable us to give our clients the best.

INDUSTRY: We believe that Quality, Health, Safety, and the Environment should be at the core of everything we do, and we aim to lead by example in our industry.

OUR SERVICES

At P&H Nova Development Procurement Ltd, we provide a comprehensive range of services that cater to the needs of businesses across multiple industries.

HEAVY CONSTRUCTION EQUIPMENT HIRE AND SALES

Our Equipment Hire and Sales division provides a comprehensive range of heavy machinery and specialised tools essential for various construction and industrial operations.

We maintain a diverse inventory, including earthmovers, cranes, excavators, and other heavy-duty machinery, all serviced regularly to ensure peak

performance. We offer flexible hire options and competitive sales prices to suit your needs, whether for a short-term project or a long-term investment,

Our team also offers expert advice to help you select the right equipment for your project, ensuring you have the tools necessary to complete the job efficiently. We aim to support your

operations by providing reliable machinery that gets the job done, minimising downtime and maximising productivity.

We maintain a diverse inventory, including earthmovers, cranes, excavators, and other heavy-duty machinery, all serviced regularly to ensure peak performance.

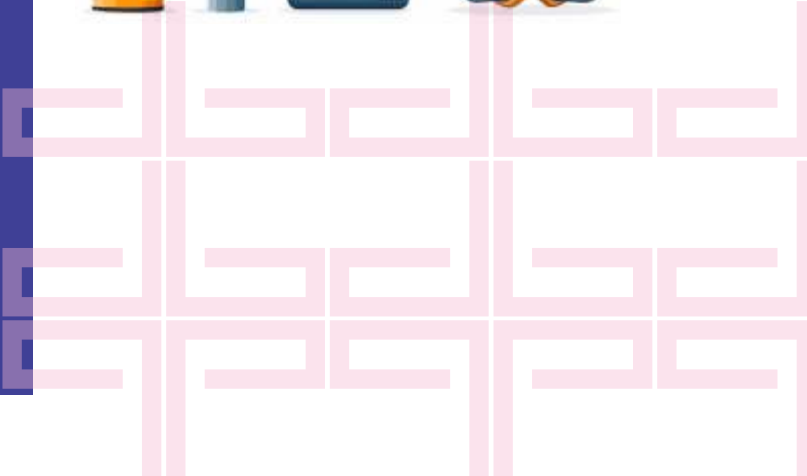

PERSONAL PROTECTIVE EQUIPMENT (PPE) PROCUREMENT

Safety is a core priority at P&H Nova, and our PPE Procurement services reflect this commitment.

We source and supply a wide range of high-quality PPE, including helmets, gloves, eye protection, and respiratory gear, ensuring your workforce is well-protected on the job. Each product meets industry standards, offering reliable protection that helps reduce workplace injuries and maintain regulatory compliance.

We also provide comprehensive training programs to ensure your team understands how to use the gears effectively. Our training sessions cover everything from basic PPE usage to advanced safety protocols, helping to create a safer, more informed workplace.

Our goal is to ensure that your marine projects are completed efficiently and responsibly, contributing to the long-term health and sustainability of our waterways.

DREDGING

We use advanced dredging technology to deepen and maintain waterways, support port infrastructure, and restore aquatic environments. Whether it is maintaining a busy shipping channel or creating new land from the sea, our dredging solutions are tailored to meet your specific requirements.

We focus on sustainable practices that minimise environmental impact while

delivering the results you need. Our goal is to ensure that your marine projects are completed efficiently and responsibly, contributing to the long-term health and sustainability of our waterways.

REAL ESTATE DEVELOPMENT

P&H Nova offers comprehensive real estate development services, managing projects from the initial concept through to the final project handover. Our team handles every aspect of development, including site acquisition, design, and construction, for both residential, commercial and mixed-use.

We pride ourselves on delivering real estate projects that stand out for their quality and attention to detail. Our projects are designed to meet the needs

of modern living and working, with a focus on sustainability, functionality, and aesthetic appeal. We provide a seamless experience that ensures your project is completed on time, within budget, and to the highest standards.

At P&H Nova We pride ourselves on delivering real estate projects that **stand out** for their quality and attention to detail.

Our projects are designed to meet the needs of **modern living**.

OUR SERVICES

MARITIME LOGISTICS

Our Maritime Logistics division is trained and equipped to handle everything from port operations and cargo handling to customs clearance and delivery, making sure that your marine logistics are seamless and cost-effective.

Our goal is to simplify your logistics processes, reducing delays and ensuring that your goods arrive on time, every time.

Our experience in the marine sector allows us to tackle the challenges of maritime transport with ease. Whether it is coordinating shipments across multiple continents or managing the logistics of large-scale marine construction projects, we offer solutions that are reliable and efficient.

INDUSTRIAL TRAINING AND CERTIFICATION

At **P&H Nova**, we also offer specialised Industrial Training and Certification programs. Our training covers key areas such as heavy construction, marine operations, safety protocols, and equipment handling, providing your workforce with the tools they need to perform at their best.

We offer both in-person and online training options, making it easy for your staff to get the education they need on a schedule that works for them.

MEET THE TEAM

The success of P&H Nova Development Procurement Ltd is driven by a team of industry leaders who bring a wealth of experience, expertise, and vision to the table.
